WE ARE

Kenny Beltran (12)

Wa-Hi is a large, comprehensive high school, with a variety of classes, numerous sports teams and a multitude of clubs and activities to be involved in. What isn't typical are the students and the culture of Wa-Hi. This year's yearbook celebrates who

We are #Determined

Carly Newton

We are hardworking.

School isn't always easy for students. For some, it is very difficult. It stretches them to get out of their comfort zone. It takes determination and will. At Wa-Hi, students muster that determination every day.

We are inquisitive.
We are steadfast.
We are unwavering.
We are witty.
We are resolute.
We are cleaver.
We are adaptable.
We are gritty.
We are smart.
We are cooperative.

But most of all, We are determined. No matter what obstacles we face, in school or in the world, we face these challenges with all of these qualities and that is what sets us apart from all others.

Clockwise from Top Left: Algebra II students demonstrate their knowledge with posters in the walkways. Princess Wansley (10) is working on the pendulum lab in Mr. Locati's class. In this lab, she swings the pendulum and explores how the angle of the swing relates to the time it takes to swing once. Keegan Winters (10) studies in Science class. Frances Ovens (10) times a swing of the pendulum to see how long it takes to swing one time.
Far left page: Students in Mr. Schafer's language classes play junk ball. Junk ball is a game where students bring all the items they can find on a list, then the teacher calls one out in Spanish or German. The first student to find the item and run to the center of the circle wins. Junk ball helps students practice new words.

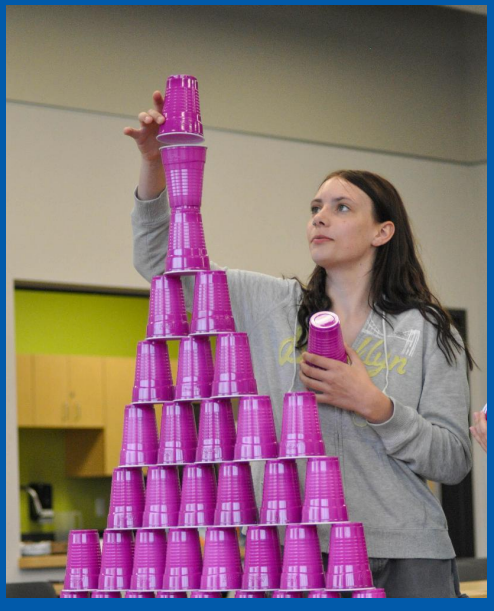
We were focused on learning to be better photographers but we had to create some action to photograph! Top row from left: Anne Triebwasser and Grace Daudt Rencken stack cups trying to make the largest pyramid without them falling. Joli Carlisle and Lesly Meza try to pop a balloon with their bodies. Sarah Auth and Oakley LeClair attempt the cup challenge. Middle row from left: Claire Wooster and Christiana Sheldon work together on the cup tower. Oakley LeClair moves the oreo from her face to her month with no hands. Anne Triebwasser keeps the balloons in the air.



Top row from left: Joli Carlisle and Siarah Buenrostro work on the orea challenge. Christiana Sheldon and Oakley LeClair try their skills at keeping the balloons in the air. Middle row from left: Anne Triebwasser catches the football. Jebrarik Garcia Manzano and Neveah Torres attempt the cup challenge while Joli Carlisle works on her cup tower. Wa-Hi Drama Presents:
Dreamland

Walla Walla High School Drama Department's Musical this spring was Dreamland (or a musical riff on Shakespeare's Midsummer set during the declassification of Area 51). Las Vegas Prep School's Principal Wilson (played by Austin Applebee) was given the chance to bring four honor students Rebecca, Randy. Eliot and Aurora (played by Ollie Allen, Francisco Ruiz, Zechariah Wood and Lily Franklin) to compete for a full ride scholarship to the school of their choice, and there show choir New Dawn (played by Olivia Shiffler, Eleanor Strickler, Abigayl Binney, Emily Cabbage, Ayla Cohen, Rose Gourdin, Paris Haifter, Daniel Martinez-Silva, Mikaile O'Connell-Joshua, Arya Teepe and Soren Thompson), to be the first civilians allowed on Area 51 before it is opened to the public. Area 51 leader Colonel Rasmusson (played by Aric Weston) leads the competition, with Melissa Simms (played by Abbie Carlsen) a reporter from Channel Nine News sharing the story with help from the Camera Man (Kosmo Nerdin). While the Show Choir prepares Snyder (played by Logan Sanders) tries to join the fun.

As the honor students explore they run into a crew of aliens (played by Oakley Milleson-LeClair, Libby Drabek, Abigayle Rolfe, Jordan Fox, Audrey Armstrong, Fiona Vrapi, Ruth Jenkins, Janni Blackham, Lindsay Demitor, Jazz Zanger, Silas Hickox, Sawyer Ensor-Mcdermott and Olivia Baez) who have been trapped for 60 years in the bottom of Area 51 since no one can see them. They just wanted to do the Twist and the Stroll over the radio hits of 1959, but now just want to go home.

We are volunteers.
We are competitors.
We are leaders.
We are rambunctious.
We are enthusiastic.
We are friends,
We are compassionate.

We are #Individuals

Lila Phinney

We are a school full of different people but the people you will get along with are everywhere.

We are individuals!
One thing that sets Wa-Hi apart from other schools is our inclusiveness. No matter who we are, the experiences and background we bring, we are accepted and valued for our uniqueness.
We are interesting.
We are beautiful.
We are complex.
We are excellent.
We are vibrant.
We are different.
We are diverse.
We are unique.
We are outstanding,
We are individuals.

The Yearbook staff hopes you enjoy the 2022-2023 edition of the Royal Blue. We worked hard to document as much of the year as we could!

This is the 107th Edition of the Royal Blue yearbook. Some interesting statistics about our book:

Students - 1668
Seniors - 417
Juniors - 407
Sophomores - 409
Freshmen- 435
Teachers, Staff Members and Coaches - 160+
Administrators - 5
Photos - Over 80,000 photos taken
Copies- 550 printed
Hours - countless hours spent in the production of this book

Thank you to everyone who helped contribute to this book, from the students to the staff and administration. Whether you shared pictures with us, allowed students to interrupt your class or excused students when they needed to stay late, we couldn't have created this without all your support! Special thank you to Shane Prudente Photography for taking all the sports team photos, Teber's Photos for for the sports action shots, and Big Blue Boosters for allowing us to use some of their photos in our yearbook.

Please remember the Royal Blue is a student publication and though we do our best, mistakes are inevitable. We apologize upfront for an errors, omissions and/or inaccuratcies in the book.

Go Blue Devils!!
